

Special Bulletin

Compulsory Adherence to Covid-19 Protocols in Bayero University, Kano

In line with the policy of curtailing the spread of Covid-19 Pandemic in the country and the desire to have a healthy community for academic activities, the Management of Bayero University, Kano wishes to inform all members of the University Community, students and visitors to the Campuses that the University has adopted a strict observance of all the Covid-19 Protocols within the confines of the University environment.

Consequently, staff (teaching and non-teaching), members of their families and students as well as visitors to the University **MUST COMPLY** with the Covid-19 protocols.

Already, the Management has provided enough motorized hand washing machines and Hand sanitizers at strategic locations within the academic, administrative and hostel areas for use.

Staff, students and visitors are required while in the University premises should wear a face-mask and remain with it at all the times. Also members of University community and visitors **MUST** strictly observe physical distancing as much as possible in academic area and hostels. or any other places.

Wearing of face-mask must be done fully **NOT** half way, the face-mask **MUST** cover nose and mouth, it must not be hanged on one ear, or put under the chin.

In order to reduce or eliminate the spread of the virus, members of University community are advise to reduce hand shake, keep social distance of 2 metres, and wash our hands regularly.

As much as possible members of University community and visitors, should stay in an open space, and if they must be in a room, they must ensure that the room is well ventilated. We should also ensure vehicles, transporting students, (private or public) are well ventilated with windows open (even if there is AC). Students are required to avoid congestion in vehicles. Commercial vehicle owners are required to provide hand sanitizers for their passengers.

No student will be allow into lecture hall or any other place within the University without wearing a face mask covering his **NOSE** and **MOUTH**, lecturers are required to wear their face-mask too, and ensure all students in their classes do the same.

As part of measures to ensure total enforcement and compliance, the Management has employed surveillance mechanism with setting up of **Covid-19 Protocol Enforcement Marshals**. Anyone caught violating the compliance order will be sanctioned.
